

## **PRESS ANNOUNCEMENT FOR IMMEDIATE RELEASE**

**11<sup>TH</sup> JULY 2016**

### **Best Systems for Regulated City Firms Announced**

The leading suppliers of systems for data, market analysis, portfolio management and other categories were announced at the Systems in The City Awards 2016 which took place at The Banking Hall. In addition, Awards for exceptional performance were presented to individuals working in the sector.

JHC collected the Award for Post Trade processing while their MD John Blackman was named CEO of the Year for retaining and securing new client companies.

Clearstream was recognised as providing the Best Buy Side Solution. SIX Financial Information collected the prestigious Compliance Award.

Individual Awards included Lynsey Newton and Charlie Aldridge, both from Equiniti and to Jeff Plowman (Hubwise) who has completed 50 years working in the City.

Stephen Pinner, Goodacre UK's MD commented:

*"Firms providing technology and support to the regulated financial sector are vital to the sector. These Awards provide deserved recognition both to companies and to individuals who work in the background and are not always recognised for the quality, ingenuity and levels of service they provide."*

A full list of winners is enclosed. Photographs of the presentations are available on request.

#### **Notes for editors**

- The Systems in the City Awards take place annually and reward the leading service and system suppliers to the regulated financial community.
- Any system or service supplier can enter their products for an award.
- Entry into the awards is free of charge.
- The awards are managed by Goodacre UK the leading specialist consultancy for the securities industry.
